Palm Beach National

Palm Beach National is expanding our amenities with our new revolutionary technology! Golfers will soon be able to enjoy the brand new TopTracer Launch Monitors on the PBN Driving Range. The new technology further expands Palm Beach National’s commitment to allowing all skill levels to enjoy the game of golf.

The team at PBN recently launched the “Pops and Jr Youth Program” which focuses on introducing all Palm Beach County youth to the game of golf. With the impressive turnout of the program, PBN has created the “Pops and Jr Youth Foundation Golf Clinics!” These clinics are offered twice a week at Palm Beach National Golf Club to kids ages 3-18 at no charge. The foundation focuses on an introduction to the game of golf and provides golf clubs to youth in need. The team at PBN is also working with local schools and after school programs to bring the clinics to those who can’t visit the club.

As the year comes to an end, Palm Beach National is excited to announce that through our programs, marketing initiatives, and appealing culture complimented by our upgraded course conditions, we have continued to exceed sales and service goals at Palm Beach National YOY. They finished Q3 with the highest level of sales on record.

West Virginia Black Bears

The West Virginia Black Bears clinched their league title and were named the 2022 MLB Draft League Champions! In the most exciting game of the season, the West Virginia Black Bears captured the MLB Draft League Championship with a 10-6 victory over the Williamsport Crosscutters.

After starting the 2022 campaign 2-10, West Virginia finished the season with a 48-30 record, 2.5 games ahead of second-place Williamsport in the overall standings. The Black Bears won 16 of 26 series with no series losses the entire month of July. West Virginia clinched the first-half title on Friday, July 15, with a 9-4 win over the Mahoning Valley Scrappers.

“It was a good way to end the season,” said manager Jedd Gyorko. “It’s a credit to how this team pulled together [both halves of the season]. We wouldn’t have made it here without clinching the first half title, and this group of guys played every game to win. They deserved it.”

Congratulations to the West Virginia Black Bears on their 2nd exciting season in the MLB Draft League.
